Description

PLOT on Monte Pego with sea views

It is a 1,108m² plot, on which a 275m² house can be built, plus the terraces and the semi-basement.

It falls to two streets, so the views will never be covered.

It has water and electricity already.

The plot is free of charges and up to date with the IBI payment, in accordance with its Registry Note.

The plot has direct views over the sea and the natural park, having sun all day.

It's located w... **see full description on website.**
