Description

This 496m² villa is an example of what can be built for you in one of three locations in Moraira. The properties will be built on a minimum plot of 826m² and have all modern conveniences; a private 35 m² pool, a high specification kitchen, modern design bathrooms and customisation options are available prior to construction for a bespoke villa that fits any specification.

This particular design comes with 3 bedrooms and 3 bathrooms ... **see full description on website.**
